Travel in Style

Has your imagination ever been set alight with thoughts of a unique holiday experience of a lifetime? Take this opportunity to discover the marvels of upscale holiday journeys in Southeast Asia and India.

STYLE by ICS offers lavish living experiences from the moment the airplane lands at the destination. Sit back, relax and enjoy an endless array of spectacular views whilst travelling in a chauffeured limousine, a private helicopter or a chartered cruise. Our heritage hotels and deluxe resorts are simply a sheer delight.

HOW IT WORKS

Whether it be hotels, transport, guides, dining, other travel related products, or most particularly service, we aim to bring you nothing but the best in the deluxe options available throughout the region.

Before we begin to provide any tour proposal, we will consult with you, the agent, to gain a better understanding of all your client's requirements.

Tour programmes are then tailor-made with a high attention to detail and with the very best level of services and professionalism offered as standard.

First impressions count and we offer all our clients a VIP welcome reception with fast track arrival service at airports as a standard, as well as welcome enhancements. Clients are escorted through immigration and customs on a priority basis.

Customer relations managers greet clients and give an overview of every aspect of the programme together, allowing for any concerns or changes to be identified immediately and acted upon. Clients will have full access to local and international back-up contacts throughout their stay.

The most exclusive private deluxe transport options throughout the region are offered and tailor-made to your requirements. Our services combine all permissions, licences and chartering charges to enable your client to enjoy a smooth journey.

Only tour escorts and guides that have received in-depth training and have passed our own internal procedures will be escorting your passengers. All guides are briefed to provide the utmost in customer services, and to maintain a friendly, yet professional approach to clients. Guides and transport are available throughout the day and into the evening as per client's requirement.

Exclusive dining and entertainment venues and recommendations are proposed, with an assisted reservation and booking service provided by the tour escorts, offering the very best the region has to offer in gastronomy.

Our partnership and cooperation with the leading hotels ensure all clients are handled with a personal touch and receive the levels of comfort and service expected.

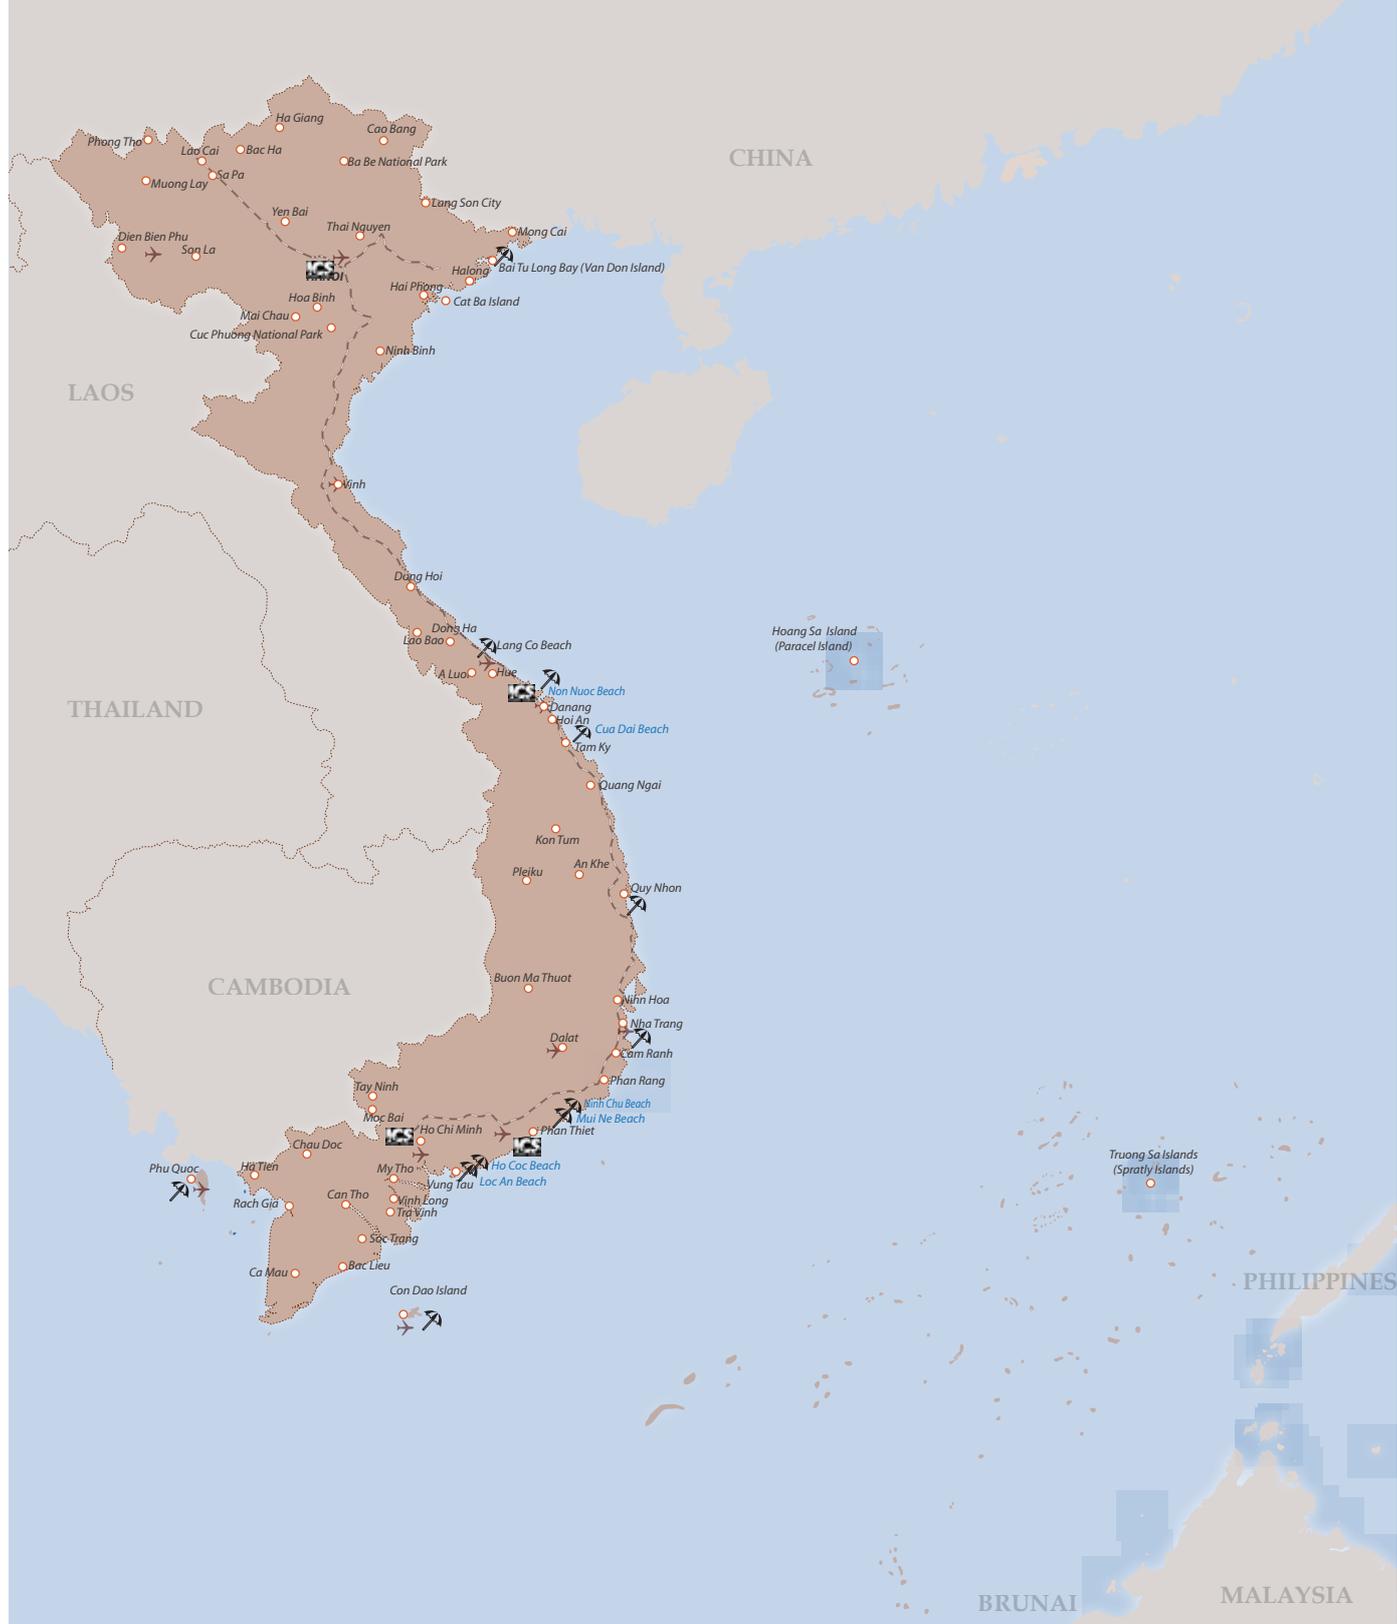

SPECIAL SERVICES

In addition to the general quality service we offer, we are also able to provide your clients a range of more specialised tailored requests with some examples featured below:

LUANG PRABANG VIEW HOTEL

Experience a mountain stay at the Luang Prabang View Hotel and behold the breathtaking panorama of the rural valley surrounding the ancient northern Lao capital and UNESCO World Heritage Site. The property's multimillion-dollar restoration got underway in 2007, and three years later, renowned local exterior designer Mr. Boun Kham and interior stylist Mr. Ewan had transformed the hotel back to its original splendor, perfectly fitting with the city's former grandeur.

When the Luang Prabang View Hotel opened its doors, the owner felt as if he had presented a gift to the historical city. The designers had merged modern elements with traditional colorful décor. Focus on finer details of each guestroom reach all corners, from the draperies and ceilings to the teakwood floors and murals on the walls.
